To Whom It May Concern:

RE: HANS HOLTkamp

It is both an honour and a pleasure to provide a letter of reference on behalf of Hans Holtkamp.

Hans is a Saskatchewan artist of growing reputation; and one of the most talented portrait sculptors in the country. He has done several major commissions which will be listed in his c.v. My gallery represented Hans in the mid-nineties and I found him to be very professional in regard to all business dealings related to his art.

I have followed his growth as an artist over the past decade and that growth is, indeed, impressive. He is not only a very dedicated, focused and talented artist but a person of intelligence and integrity.

I have no hesitation in recommending both Hans, and his work, highly.

Should you require additional information, please feel free to contact me further.

Sincerely,

Trudi Barlow
Consultant/Curator

The writer is the principle owner of ARTWORKS; established in 1985 as a commercial gallery representing fifteen to twenty-five artists exclusively at any given time, as well as many others on a more casual basis. Most artists represented are from Saskatchewan and Western Canadian artists are the focus. Five to seven major exhibitions were offered each season.

The writer was the chair of the Visual Arts Placement Jury, a committee out-of-council (City of Saskatoon) over the initial five formative years, member of the Mendel Art Gallery & Conservatory Corporation Board for the subsequent five-year period, and am presently a Board member of the Saskatchewan Arts Board.
